INDEPENDENT AUDITOR'S REPORT

To the Board of Director/Trustees Arlington Academy of Hope, Inc. Arlington, VA

Report on Financial Statements

We have audited the accompanying financial statements of Arlington Academy of Hope (AAH) (a Virginia not-for-profit organization) which comprises the statements of financial position as of December 31, 2013 and the related statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AAH's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Arlington Academy of Hope as of December 31, 2013, and the changes in net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Supplemental Information - Calculation of Actual Indirect Cost Rate

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The Calculation of Actual Indirect Cost Rate is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financials statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to he financial statements taken as a whole.

1. ORGANIZATION

Arlington Academy of Hope, Inc. (AAH or the Organization) was incorporated under the laws of Virginia on December 28, 2004 and commenced operating as an independent not for profit organization on January 1, 2005. Prior to this date, AAH was an operating program of a church. AAH is a volunteer, non-profit organization based in the United States that helps children in rural Uganda reach their full potential. Through grants and subsidies to an affiliate NGO located in Uganda, AAH funds the creation of model schools and clinics, we provide education and healthcare programs, local development opportunities, and community outreach to improve the quality of life and transform poor villages into self-sustaining communities. AAH does this by engaging a caring community of volunteers, child sponsors, donors, partners and friends in the United States, Uganda and throughout the world.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of AAH have been prepared on the accrual basis of accounting, in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, Not-for-Profit Entities.

Basis of presentation

The accompanying financial statements are presented in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) Topic 958 accounting for contributions received and contributions made financial statements of not-for-profit organizations. Contributions are recognized as revenue when they are received or unconditionally pledged. FASB ASC Topic 958 eliminates the utilization of fund accounting for financial reporting purposes requires that net assets be classified as (1) unrestricted; (2) temporarily restricted; or (3) permanently restricted depending on limitations placed on the net assets by donors. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time. As of December 31, 2013 and 2012, AAH has temporarily restricted assets relating to its Uganda programs totaling \$7,100 and \$9,000, respectively.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of presentation (continued)

Permanently restricted net assets - net assets subjected to donor-imposed stipulations that these funds be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes. As of December 31, 2013, AAH has no permanently restricted net assets.

Property and equipment

Property and equipment are recorded at cost and depreciated over the estimated useful lives of the asset, between 5-7 years using accelerated methods, which is not materially different from the straight-line method. In a prior year all fixed assets were transferred to the Organization's Uganda affiliate (see Note 3) and there were no remaining fixed assets or depreciation expenses as of and for the years ended December 31, 2013 and 2012.

Cash and cash equivalents

AAH invests cash in excess of its immediate requirements in certificates of deposit and money market funds. Because of their short-term and high liquidity, these investments are considered to be cash equivalents.

Income taxes

AAH is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code) whereby only unrelated business income, as defined by Section 512(a)(1) of the Code, is subject to Federal income tax. As of December 31, 2013, AAH has no unrelated business income subject to Federal tax.

Functional expenses

The costs of providing the various programs and other operating activities have been summarized on a functional basis in the statement of functional expenditures. Accordingly, certain indirect costs have been allocated amongst the programs and supporting services based upon management's best estimate of the benefit derived from these expenses.

.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Volunteers and In-kind contributions

In accordance with FASB ASC Topic 958, in-kind contributions, if any, are recorded at their estimated fair market value on the date the unconditional promise to give the asset is made and transfer of the asset is assured. For the years ended December 31, 2013 and 2012, volunteer hours and in-kind contributions were not included in the Statement of Activity since the value of these contributions could not be objectively measured.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the financial statement date and the reported amounts of revenues and expenses during the years then ended. Actual results could differ from those estimates.

Revenue Recognition

Revenue and support are recognized by the Organization when the unconditional promise to give by a donor is assured. Certain grants and awards stipulate that the grantor will reimburse expenditures incurred by the Organization on their behalf once the Organization submits these expenditures for approval. The grantor retains discretionary rights on all expenditures incurred on their behalf. Expenditures funded by unrestricted net assets prior to the receipt of the unconditional promise to pay from the donor are recorded as a reduction to unrestricted net assets.

Uncertain tax positions

In accordance with the disclosure provisions of FASB ASC Sub-Topic 740-19 "Accounting for Uncertainty in Income Taxes" as of and for the year ended December 31, 2013, AAH has no uncertain tax positions requiring disclosure or accrual occurred for the year ended December 31, 2013. The open tax years are December 31, 2011, 2012, and 2013.

3. RELEASED FROM RESTRICTIONS

For the years ended December 31, 2013 and 2012, \$16,450 and \$76,319, respectively, of temporarily restricted net assets were released from program restrictions. These expenditures are included in grants and pass-throughs on the statement of functional expenses and were properly used for various programs such as school related construction and the solar project.

4. COMMITMENTS AND CONTINGENCIES

For the years ended December 31, 2013 and 2012, the Organization's has no commitments, leases, long-term contracts, grants or awards and/or other potential contingent liabilities requiring disclosure or accrual in the financial statements as of and for the years ended December 31, 2013 and 2012.

AAH was under audit relating to its Form 990 and its related programmatic activities in Uganda for the tax years 2008 through 2010. The IRS audit has been concluded and the IRS has accepted Form 990 for the tax years ended December 31, 2008 through 2010. Certain adjustments relating to compliance were made to the reclassification of independent contractors to employees resulting in a payroll tax liability relating to tax years 2009-2012 of \$15,427. This amount was accrued and paid as of May 31, 2012. There were no outstanding unpaid payroll related liabilities as of December 31, 2013,

5. SUBSEQUENT EVENTS

Subsequent events have been reviewed through September 9, 2014. All items affecting the financial statements for December 31, 2013 have been included in the accompanying financial statements and disclosures.
